

St Helens is well known for many things, coal mining, glass manufacturing, trains, and rugby league. We, however, recognise the part women from the Borough have played in the country's heritage and success in sport. These women, in their chosen sports, not only demonstrate the benefit and value of sport and physical activity but act as female role models for current and future generations.

I therefore propose that this Council in recognition of these women's achievements establish a cross party working group to:

- **identify how these accomplishments can be permanently celebrated publicly to ensure their impact and historical success is remembered but also to act as a positive role model for generations to come; and**
- **identify funding streams for the erection of a monument in the Borough.**
