- (redacted) is in agreement with the draft proposal below, at full council meeting 19th April 2023. Having taken account of the result of the postal ballot of registered electors and the outcome of the first-stage consultation, not to proceed with the petition proposal to create a new Town Council for Newton-le-Willows East and West
- This email is to lodge my acceptance of the recommendations to not form a Town Council in Newton-le-Willows, and is in accordance with wishes of the majority of responses to the ballot.
- This email is to lodge my acceptance of the recommendations to not form a Town Council in Newton-le-Willows, and is in accordance with wishes of the majority of responses to the ballot. I've recently been made aware of a large invoice sent to the Rainhill Parish Council for the grounds maintenance of recreational facilities. This would be covered under my existing council tax in Newton-le-Willows.
- I agree with the resolution made at full council meeting April 2023 NOT to proceed with Newton Town Council
- I (redacted) say no to the proposal of a Newton-le-Willows Town Council, especially in times of this cost of living crisis. With bills going up the last thing we need is another bill. No . No. No
